**Winner BEST ONE-MAN SHOW United Solo Theatre Festival  
42nd Street Theatre Row  
THREE GOLDEN NOSE AWARDS**

Wing-Man is a laugh-out-loud hilarious and surprisingly poignant “one-clown show” that explores our obsession with social media. In the tradition of Keaton, Chaplin, Irwin and Shiner, award-winning performer Mark Gindick wordlessly battles a series of unexpected 21st century obstacles, with only a stage-size, interactive computer screen, his iPhone, and a winning tech-savvy audience.

“**On par with greats like Buster Keaton or Bill Irwin...**”  
—Tim Martin, DANCE magazine
